

Archery Badge Homework: Pioneers & Patriots  
(Complete & Bring to Archery Course)

#3 Before Course bring to course to receive full credit: Web Search for each word, but make sure to type archery terms, then word you are searching

Here is sample of one:

Archery Cat Whiskers:

Cat whiskers are highly durable, rubber, multi-strand archery string silencers used to significantly reduce vibration and game-spooking noise. They are waterproof, do not accumulate debris, and are generally installed about 6 inches from the axle/tips of compound, recurve, or longbow strings. They work by slowing string oscillation after release.

#5 Research state and local laws (city/town). If none, look up county.  
Copy paste info on a separate doc and print it off bring to course .

#6 We will do a 6 End, 5 Flights (2.5 min shoot per flight) 30 arrows Total Score, as a mini tournament, during the course. Tie breaker most 10's or 10x's. if no 10's then 9's.

#7 What is the world Archery Foundation (Formerly FITA)? What is the format of an Olympic Archery Competition. Web research & write below or attach doc.
